### **Spread Valentine's Love San Juan Islands Style**

Friday Harbor, WA... "You always gain by giving love." – Reese Witherspoon. This Valentine's Day, give some love to our island communities and support your favorite shops, restaurants, and lodgings. This last year has been tough on business owners keeping up with changing restrictions.

A candlelit dinner is a Valentine's must, and there's so many takeout options to choose from you can't go wrong. Like the five-course pre-fixe menu with wine pairings, a long-stemmed rose, and chocolate teddy bear truffles from Coho Restaurant ([www.cohorestaurant.com/all-posts/valentines-weekend-rapture-2021](http://www.cohorestaurant.com/all-posts/valentines-weekend-rapture-2021)) in Friday Harbor. Rosario Resort's "Amore di San Valentino" menu guarantees romance with wild mushroom gnocchi, baked crab cakes, and chocolate torte with Chantilly cream. Ursa Minor on Lopez has already sold out of their curated take-home meal kits full of tasty delights like Sweet Grass Farm's New York strip steak with marrow butter and roasted cabbage with Pea-So ([www.ursaminorlopez.com](http://www.ursaminorlopez.com)), but there's room on the waiting list.
